Learning

What you can expect at Glantaf's Specialist Resource Base?

Learners follow National Curriculum subjects; through careful differentiation we provide every learner with the best possible chance to succeed.

We cater for all three key stages:

- KS3 (11-14 years old)
- KS4 (14-16 years old)
- KS5 (16-19 years old)

At each key stage we target:

- Literacy and Numeracy Skills
- Personal Social and Emotional Development
- Life Skills

In KS4 & KS5 learners have opportunities to achieve qualifications such as GCSE and Entry Pathways, as well as work experience and extended work placements.

"I have had help with my literacy skills."

Part of the school

We aim to provide a specialist curriculum which is balanced and varied for learners with complex needs within a mainstream school. A positive link between all stakeholders is crucial to the academic and social development of our learners.
